Outing at Kau Sai Chau South Tuesday 13th January 2015

It was a very cold, wet and windy start to the 2015 Golf Society event schedule but that didn't put off 20 very warmly clad golfers from turning out to play KSC South course.

There was drama from the very beginning with **Shauna Davis** forgetting her ID card and her husband **Owen** having to drive home to retrieve it before they made their own way out to KSC just in time to tee off.

As expected, the scoring was a lot higher than normal due to the terrible weather conditions. Our best gross winner was **James Riordan** with 83

but only just as **Dallas Reid** also shot 83 but lost on count back.

Stableford winner after recounting the scorecards went to **James Riordan** with 38 points, runner up **Lily Chan** with 35 points and 3rd place was **Guy Devenish** with 29 points.

Longest drive for the men went to our Event Organiser, **Phil Head**, after he allegedly picked the only hole on the course on which only he could reach the fairway!

There was no winner for the Ladies longest drive.

Nearest pins went to **Nick Allen** on hole #5, **Guy Devenish** on hole #7, **Nick Grimshaw** on hole #11 and no one managed to hold the green on the rather tricky hole #17.

There was plenty of warming up done at the bar afterwards with a few bottles of red being consumed, this continued at the Sportsman's Bar when we returned back to the HKFC to conclude our first event of 2015.

Look forward to seeing you all on the course soon. ■
