

HKFC Golf Society Handicap Requirements

(Effective date 1 January 2021)

Introduction

The HKFC Golf Society (HKFC GS) is a Hong Kong based society that provides opportunities for Hong Kong based golfers who are members of HKFC. We encourage all our society members to register with HKGA and obtain a HKGA handicap using the GHIN system. The HKFC GS provides golf competitions that are created to cater for our Hong Kong based membership and golfers need a GHIN handicap to compete in these competitions.

As such :

To compete in **any** HKFC GS competition **all** golfers are required to be paidup members of the HKFC GS and have a **Current GHIN Handicap**. These competitions include but are not limited to :

- Major Trophies (Club Championships, Walmsey Cup etc)
- Regular Monthly Outings
- Annual Matchplay Competition
- Competitive Team matches played against other HK Golf Societies

Definition : “Current GHIN Handicap”

A handicap that is registered and accessible using the GHIN system. To be considered current for the purpose of HKFC GS competitions the golfer must enter all scorecards and must have at least 1 card submitted in the preceding 6 months **and** at least 3 cards submitted in the preceding 12 months.

Non Handicap Golfers

HKFC GS golfers without GHIN handicaps are most welcome to join HKFC Golf Society monthly outings where space permits but cannot compete in the competitions run on these outings.
