

## **Hong Kong Football Club Golf Society**

### **Hon. Treasurer's Report to the AGM on the 20th May 2021**

The Attached Accounts and Notes thereon reflect the financial position of the Society as at the 31st March 2021.

As has been mentioned by our Chairman, The Financial Year 2020/2021 was heavily impacted by the consequences of the Covid pandemic.

Because Hong Kong golfers, including our own members, have been unable to travel overseas to play golf, particularly to Macau and China, the lack of available Tee times at the courses in Hong Kong has meant that we have struggled to get bookings for our Events and Matches.

As a result the number of Matches has reduced from 11 in the prior year to 6 in the current year. However we have been able to increase the number of the monthly events at Kai Sai Chau from 6 last year to 7 this year.

The number of members of the Society continues to decline with a net reduction of 116 members in the year.

A number of the members resigning, have mentioned that the current inability to use the Debentures in Macau and China was a factor in their decision

For the Financial Year 2020/2021, the Society made a Loss of \$34,228 compared to a surplus of \$1,576 in the Prior Year. ie an adverse movement of \$35,804.

The **Income** of the Society was \$115,408 lower than the Prior year due to a Reduction in Members Subscriptions of \$100,275.

In addition As members could not use the Debentures, there was a reduction of \$23,050 in respect of Golf Club Rental and Guest Fees, this was partially offset by an increase in the Subvention from the Club of \$8,342.

The above was partially compensated by a reduction in **Expenditure** of \$79,604 which was mainly due to a reduction in the Costs of Golf Outings and Competitions of \$52,267, due to the reduced number of events and matches, by an decrease in the costs of the AGM and Social Events etc of \$12,916 and a reduction of \$16,175 in the cost of Kits, Balls etc.

As at the 31st of March 2021, the Reserves Carried Forward amounted to HK\$859,608, although it should be noted that this includes \$341,000 of prepaid subscriptions covering the 9 months from April to December 2021.
